It isn't discouraged if you are weak, flimsy, tired-out, lack-
ing in strength, no matter what you eat.
Doctors now know that the fault often is not with the amount of food you eat. Your daily diet may contain enough potential nourishment of many kinds, but unless it contains certain essential minerals, your system is unable to extract full nourishment from the food you eat. The result is you may be eating enough good food to satisfy your appetite, and still not be able to gain weight or strength.

In Kelpamalt, the new mineral concentrate from the sea, minerals so essential to the normal chemical processes of the body are available in their naturally occurring form, such as assimilable iron, copper, manganese, calcium, phosphorus, potassium and magnesium. All contribute to the supply of vital minerals needed for digestion and assimilation. Most important, however, is Kelpamalt's natural iodine (not to be confused with ordinary chemical liquid iodine). Iodine, scientists say, is found in the blood, liver and glands, and is vitally important to their normal functioning.

Make This No-Cost Self-Test!

First, weigh yourself and see how long you can work or how far you can walk without tiring. Put on your bathing suit and look yourself over. Then take 3 Seedol Kelpamalt Tablets with each meal for one week, and notice how much longer you can work without tiring, how much farther you can walk. Notice how much better you feel, sleep and eat. Watch for increased energy, vigor and endurance. Again take stock of yourself in a bathing suit and watch for a marked improvement in your personal appearance. See how scrawny hollows have filled out. If you do not gain in weight, strength, endurance and energy the first week, the trial is free. Your own doctor will approve this way. Seedol Kelpamalt costs but little to use. Try it today. Sold at all good drug stores. If your dealer has not yet received his supply, send \$1.00 for special introductory size bottle of 65 tablets to the address below.

And talking about vacations—what a vacation it will be for you! And at no more cost than the cost of a round trip ticket to and from California!

Starting your two weeks' vacation in Chicago by boarding a de luxe trans-continental train, you travel through the beauty of Minnesota's 10,000 lakes. Reduce SAFELY...

...without DIETS

"Diet took off the flesh from my neck and face. I look like a scare-crow."

...without DRUGS

"The drug I took upset my system. I can't get back my strength and I feel terrible."

...without EXERCISE

"I'm all tired out exercising. I have no pep or energy left for any fun."

GIRDLE or BRASSIERE may be worn Separately

SAFETY is the most important factor in any method of reduction. Diets and drugs may undermine your health... they surely reduce face and neck, leaving your skin old and scrawny. Vigorous exercises take all your energy. But there is one absolutely SAFE way to reduce without losing health or beauty, and that is the PERFOLASTIC GIRDLE and BRASSIERE.

Appear Slimmer At Once!

You will be amazed at the apparently instant reduction the minute you put on your Perfolastic! Then, you will be so delightfully comfortable you will hardly realize that every minute you wear your Girdle and Brassiere the wonderful massage-like action and gentle pressure are actually taking off the unwanted inches at hips, thighs, waist and diaphragm—the spots where fat first accumulates. See how, with the loss of excess fat, energy returns.

PERFOLASTIC NOT ONLY CONFINES... IT REMOVES UGLY BULGES!

Reduces the Diaphragm, Hips and Thighs

You may have excess fat at hips and thighs as well as an unsightly "diaphragm roll." Perfolastic will remove this fat quickly.

Takes Away Abdominal Fat and "Bulge Derriere"

Perfolastic reduces linedestroying fore and aft bulges so that frocks once again have sleek, smart, flowing lines.

"My hips are 12 inches smaller," says Miss Richardson. "Lost 60 pounds," writes Mrs. Derr. "I used to wear a size 42, now I take size 18," says Mrs. Faust. "I immediately became 3 inches smaller in the hips when first fitted," writes Miss Browne.

IF YOU DO NOT REDUCE 3 INCHES IN 10 DAYS... it will cost you nothing!

Because so many wearers have reduced more than 3 inches we believe we are justified in making you the above unqualified agreement.

Movieland Tours

[Continued from page 25]

Rathbone, noted English actor, will hold open house for Movieland Tour guests and will be host at a cocktail party. Many of his actor friends will attend and you will have the great pleasure of meeting and talking to your favorite stars.

Sunday night you will be guests of Grauman's Chinese theatre, where you will witness a top-flight feature program.

ON THE following day, Monday, a tour has been arranged that will take you through Paramount studios. Paramount, as you know, is the home studio of such famous stars as Claudette Colbert, Fred MacMurray, Bing Crosby, George Burns, Gracie Allen, Jack Benny, and scores of others. This trip will give you a lasting insight into just how pictures are made. Following the tour will be luncheon with the stars in the Paramount commissary.

On Monday afternoon another great treat has been arranged for you. James Gleason will be your host at a second cocktail party at his beautiful home. And here, as at Basil Rathbone's home, you will have an opportunity to meet and chat with the stars.

In the evening comes the special preview of an unreleased picture at Paramount's private studio theatre.

Tuesday morning brings another special event. You will be guests of the famous Max Factor make-up studio and during this visit you will learn how movie stars are made up to resemble the characters they portray in films. Every visitor will be given a souvenir of the occasion.

The grande finale arrives Tuesday evening when Movieland Tourists are invited to the Wilshire Bowl where a supper dance has been arranged by Fawcett Publications representatives. The Wilshire Bowl is one of Hollywood's famed playspots and is frequented by movieland's elite. Film celebrities will be on hand to serve on the reception committee and to see that you have a good time.

Plans for the second tour are almost identical with the first except that cocktail parties for the second tour will be at the home of Edward Everett Horton on Sunday afternoon, and at the home of Fay Wray on Monday afternoon.

More complete details about the 1937 Movieland Tours may be had by writing for the free illustrated booklet. Better still, so that you will be assured of a place in these tours, send in your \$5 deposit. The reservations are rapidly approaching the zero mark and you

Hollywood Youngstars

[Continued from page 21]

RIDDLE me these—What young actress receives many expensive gifts from admiring suitors and always tells her friends that she is going to return them—which she seldom does?

What actress ever so often spreads reports among her boy friends that she's going to be married, purely to create interest?

JEAN RUCERVA'S wedding day will be May 7th. . . . Phil Houston and Olivia De Havilland's romance was a short lived one. Now he's being seen about here and there with Simone Simon. . . . The Mary Grace (she's Marion Davies' ward) marriage to the New York editor was a great surprise to me, for I've always seen her dining and dancing with "Red" Hershon, Carl Laemmle, Jr.'s right hand man. . . . Loretta Young and Eddie Sutherland found a quiet nook at Ginger Rogers and Al Vanderbilt's skating party to talk things over. Wonder if they came to any conclusions about their broken romance. . . . Alan Curtis and Constance Worth have decided to just be friends. . . . and the reason Barbara Pepper is going about looking so sad is because her boy friend has left town. She won't tell his name.
